HEARTH / FICTIONAL DEMONSTRATION

An old certificate. A new question.

Synthetic source for document intake. Not valid insurance.

Employer life policy record

Insured person: Maria Ellis

Employer: Fictional Acorn Employer

Insurer: Fictional Orchard Life

Certificate date: March 10, 2024

Policy reference ending: 1190

Stated benefit at certificate date: USD 100,000

Primary beneficiary shown: Elena Ellis

Retirement date in household notes: December 31, 2026

This historical certificate does not establish current coverage.

The employer must confirm whether cover continues after retirement.

Current beneficiary instructions must be confirmed with the insurer.

Maria wishes to discuss equal shares for Elena and James.

This wish has not changed the institution beneficiary record.

Outstanding action: request the current policy and continuation options.

An estate representative does not automatically control policy benefits.

FICTIONAL DEMO ONLY. No real policy, benefit, person or insurer.
